Club Development & Support

Triathlon Queensland are developing a range of resources and education seminars and meeting for clubs to learn the skills to better manage their clubs. Meetings will be held regularly and resources made available on the TQ website www.triathlonqld.com.au. Triathlon Queensland is also available to assist with the benchmarking of current services and assistance in the development of management resources tailored to your club including strategic planning, risk management, committee development, event management, child protection policy development.

Coaching courses, support & training seminars

Triathlon Queensland also provides a coaching information and assistance service to all clubs. Education and Training courses are advertised on the website.

Event & Race Information

TQ can provide information and assistance to any club intending to conduct their own multisport events. We have an event management guide. Triathlon Queensland will be providing all sanctioned events with the support of a qualified official at all venues through Queensland. Qualified officials will be also offering training for officials all around the state. For assistance with event management or sanctioning procedures please contact the staff in the TQ office.

Triathlon Queensland Calendar of Events

The TQ Race Calendar & all other sanctioned events are listed on our website www.triathlonqld.com.au

Race Rules

Triathlon Queensland and TQ sanctioned events are to be conducted under the Triathlon Australia Race rules; these can be found on TA website www.triathlon.org.au.
